

We are a proud member of the

Oiled Wildlife Trust

OWT Mission: To establish uniform professional response to oiled wildlife incidents.

OWT Vision: To engage all stakeholders in actively supporting best achievable practices for all oiled wildlife.

OWT Values:

- Inherent/intrinsic worth of all wildlife (individual or otherwise)
- Humane treatment of wildlife
- Professional standards of operation in oiled wildlife response
- Strength of cooperation and respect of expertise (strength in diversity)

OWT Objectives:

- To support professional response and polluter pay principle
- To participate in government decision-making process
- To endorse best achievable care standards
- To ensure humane treatment of all species and individuals
- To assist in resource development
- To facilitate education and outreach
