

Position: Wildlife Technician
Hours: Full time
Closing: July 17, 2015
Start Date: August 1, 2015

The Wildlife Rescue Association of BC seeking to hire an Animal Health Technician recruiting for a Wildlife Technician.

This regular, full-time position will perform daily animal care duties as part of the wildlife care team and assist in the daily operation of the animal care facility.

The ideal candidate will have the following qualifications:

- Completion of an Animal Health Technologist program
- University diploma/degree in biological sciences is beneficial
- Strong technical and analytical skills
- Excellent organizational, time-management and record-keeping skills
- Demonstrated experience in rehabilitation of wildlife, including birds
- Knowledge of native wildlife in BC, particularly the Lower Mainland region
- Excellent verbal and written communications skills
- Ability to function well in a dynamic team environment
- Eager to teach others, such as volunteers and students
- Supervisory experience is beneficial
- Able to work flexible shifts, including weekends and statutory holidays

Please submit resume and cover letter to:

Linda Bakker
Wildlife Rescue Association of BC
5216 Glencarin Drive
Burnaby, BC V5B 3C1
Email: linda@wildliferescue.ca (documents in Word or PDF format)

Please be advised that **only short-listed candidates will be contacted** for interviews, but we would like to thank all applicants in advance for their interest.
